### Registration Conditions

The following registration conditions are attached to the registration.

Condition	Additional Information	Expiry Date
Student Condition	<p>1. You will be required to remain a registered student on the accredited programme in teacher education in respect of which you applied for registration with the Teaching Council until the successful completion of that programme.</p> <p>2. You can only engage in teaching on a substitute basis until the successful completion of the accredited programme in teacher education in respect of which you were registered with the Teaching Council.</p> <p>3. You are required to fully participate in the accredited programme in teacher education until successful completion of that programme.</p> <p>4. You are required to complete supervised professional practice as set down by the Council within a period of 3 years from the date of successful completion of the accredited programme in teacher education.</p>	30/11/2024

This statement confirming registration has been printed directly from the Council's online portal to the Register of Teachers. To determine the current registration status of this person, please enter the registration number presented above into the online Register of Teachers available at [www.teachingcouncil.ie](http://www.teachingcouncil.ie). It is the responsibility of employers to satisfy themselves that a teacher being considered for a post is registered and suitable for the appointment.

Teachers who commence and successfully complete Droichead post September 2016 will have the conditions of the induction programme and probation removed from their registration.

**All registered teachers are subject to the Code of Professional Conduct for Teachers.**
